Comfort Style & Durability

WE KNOW HOW TO #MAKEYOURSPACE

We are a privately owned company and have been present in the market since 2016. With six years' of experience we are able to deliver products to all over the states.

Finding a trustworthy business partner with whom you can grow can be a difficult task. Especially in terms of interior design, **office furniture, conferences, hotels, canteens, cafes and auditoriums.**

In today's rapidly changing office environments, F-Mart is uniquely positioned to assist large corporations, small business owners, and homeowners with a broad range of products that ensure safety while meeting the latest design trends.

We designed places with a focus on the people who will use them – we think about their needs and expectations. Lead by the dynamic and creative team with a goal of bringing the highest level of service.

We have highly satisfied customer base in market from years as we are on the motto of customer satisfaction, we are continuously adaptable to market changes, customer likes and dislikes, product quality & demand and are continuously working on every aspect of extraordinary comfort for our clients.

Our range of products is highly appreciated by our clients on the basis of quality design & comfort.

We have fully equipped manufacturing unit loaded with advanced machinery and skilled manpower, which uses best raw material. Our highly experienced production team & designers are working continuously in providing best in class products in terms of extraordinary comfort & styling which suits yours space.

F-Mart offers a fully comprehensive service. Our designers manage the whole project from initial brief to delivery.

How It Works

STEP 1: SITE VISIT

The first meeting to discuss the project takes place at the client's property. The designer gathers practical information regarding each room's usage, preferred style and how the design should.

STEP 2: FORMAL PRESENTATION

Once the designs have been completed, the designer will present the overall room scheme for approval.

STEP 3: DESIGN STAGE

All design plans are drawn up using a computer aided design package. The designer also creates a mood board for each room with product images and samples, giving the client a clear idea

STEP 4: ESTIMATE

The designer draws up an itemised estimate for the client. This is a comprehensive estimate that includes all fitting charges where applicable.

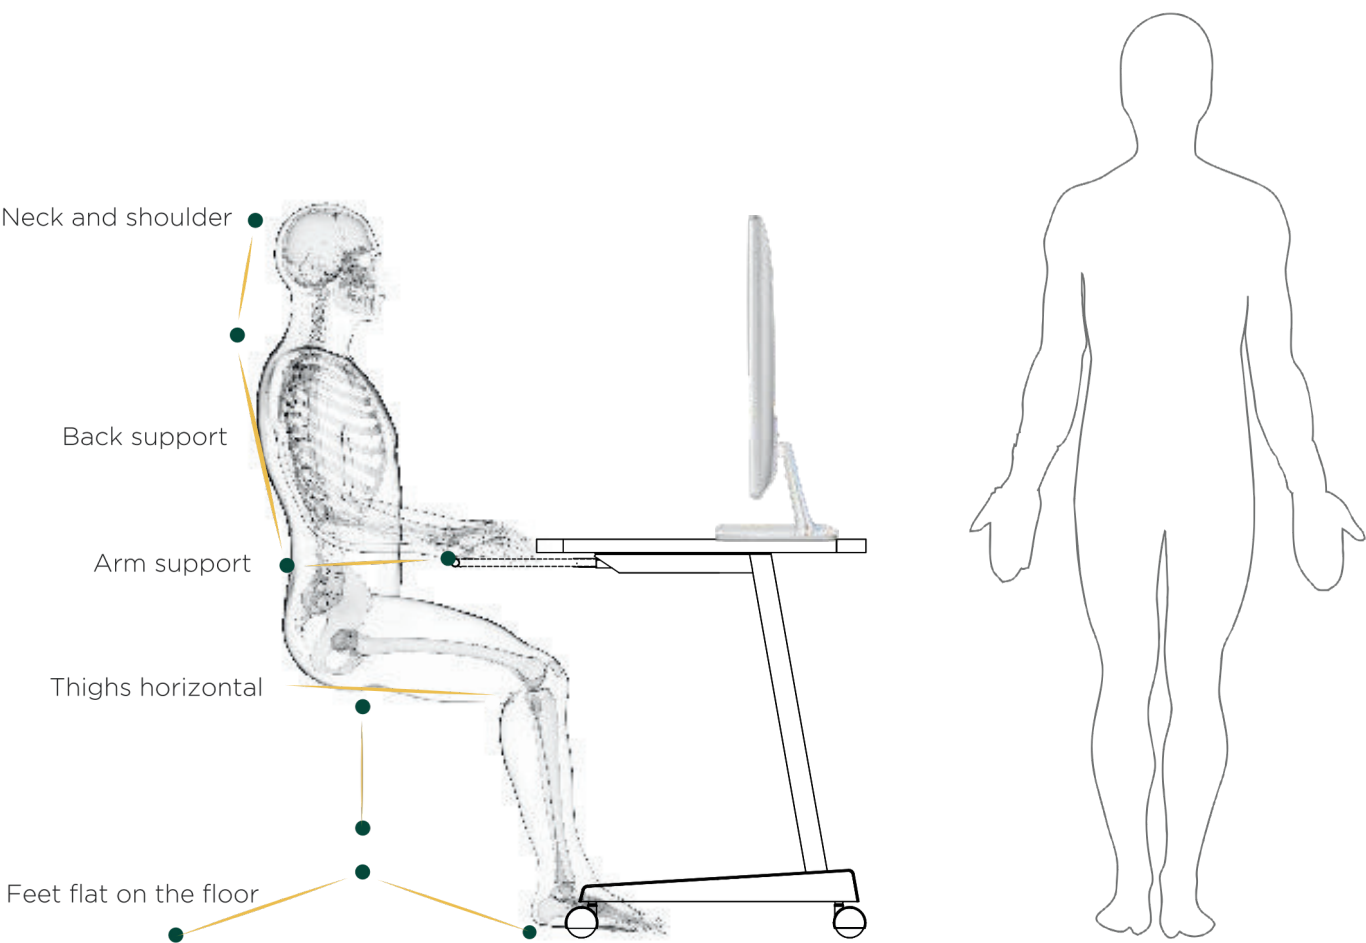

STEP 5: PROJECT MANAGEMENT

Once the estimate has been signed off the designer manages the entire project, making the process simple and stress-free for the client. This includes placing orders, communication with suppliers and supervising the ordering process and

The Science of Seating

Seating is about providing right posture and support to the human body in its seated position. This involves the study of anatomy, anthropometrics, physiological and biomechanical characteristics of human body to provide;

- ergonomics
- comfort
- safety
- productivity
- aesthetics
